

BROOKS

Pioneering his own blend of electronic dance music over the past seven years, Dutch producer Brooks has managed to stand out from the masses and gain increasing recognition with his innovative style of rhythmic electro house. Delivering a steady stream of impressive releases on a variety of different imprints, Brooks' larger-than-life productions have garnered attention on a global scale. Resulting in a string of high-profile collaborations such as the worldwide platinum record "Like I Do" with David Guetta and Martin Garrix. If we turn our attention to Brooks' remixing talents, his seemingly effortless tech-edge to pop hits with his unique, dancefloor-poised take.

Alongside his clear production talent, Brooks' ability to showcase a stellar performance on-stage has earned him a reputation as one of electronic music's most talented upcoming DJ's. From Europe to Asia, Africa and beyond, the producer is maintaining a lasting impression on a global scale.

With artists like Martin Garrix championing Brooks and the promising words from David Guetta that "Brooks is one of the best producers he has ever seen," it's evident that he is destined to make a prominent mark on the electronic dance music scene. 'Quantum' together with Martin Garrix is set to be his first release of 2022 and it doesn't stop there. Keep an eye on this amazing talent to uncover all the surprises he has in store for the future.
